

TALL SAGE

2017

Cabernet Sauvignon

COLUMBIA VALLEY - ESTATE GROWN

TASTING NOTE

“Aromas of red plum and cherry layered with notes of baking spices, toast, and dried herbs. The flavors on the palate open broadly with flavors of red currant and cherry that lead into a more focused and back palate and finish. The wine resolves with pretty flavors of red fruit supported by fine tannins and intertwined with savory spices and minerality.” –Andrew Wilson, Winemaker

VINTAGE NOTE

2017 presented an unusually active winter which led into a cool and wet spring that delayed bud break two weeks later than recent vintages. The summer was hot and dry, causing the ripening to accelerate to match pace slightly ahead of average. A long and active fire season created concerns, but fortunately the estate vineyard avoided serious or prolonged exposure to smoke.

WINEMAKING

Varietal Blend: 81% Cabernet Sauvignon,
19% Merlot

TA: 0.51g/100ml PH: 3.91

Alcohol: 13.5%
