## GOOSE RIDGE G3

2023 RIESLING  
*Columbia Valley*

### WINEMAKING

The 2023 Riesling was sourced from the Block E-10 of our estate vineyard, where the fruit comes from the top of the vineyard. This block has excellent exposure and produces wine with expressive aromatics. Native fermentation with a portion aging on lees in neutral oak puncheons for 3 months before bottling.

### TASTING NOTE

Fragrant, fresh aromas of bartlett pear, peach, and ginger gracefully frame the wine. Juicy, intense flavors of ripe nectarine, apricot and lemongrass and supported by racy acidity and a tone of stone. The finish is fresh and focused layered with lively notes of tangerine and cantaloupe melon.
