WINEMAKING

The fruit for this wine was sourced from some of the premier upper blocks of the estate. The wine was pumped over twice daily until a balance of color, structure, and flavor extraction had been achieved. Malolactic fermentation on oak smoothed and softened the wine. The wine matured for 16 months in barrels (with 25% new oak Merlot, was carefully blended to add depth, softness, and layers of nuance to the wine.

TASTING NOTE

Our G3 Cabernet Sauvignon shows an array of both vibrant and deep flavors. The nose is dominated by warm berry compote, with a rich layering of boysenberry, plum, and black cherry that creates an invitingly lush bouquet. The palate bursts forth with a juicy medley of red cherry and redcurrants, showing a fresh and energizing profile. Beneath this lively fruit is a subtle mineral tension, offering a counterbalance that enhances the overall structure. The finish brings forward fresh toasted notes and a textured sensation reminiscent of cherry and plum skins, lending a refined and lasting impression.
