

G3 GENERATIONS SERIES

2022 Proprietary Red Blend
Goose Gap

WINEMAKING

The fruit for this wine was sourced from many of the premier blocks of the estate. The wine's extraction was managed during fermentation to create a balance of color, structure, and flavor. Malolactic fermentation on oak smoothed and softened the wine. The wine matured for 16 months in barrels (with 20% new oak). This new world blend of traditional Bordeaux and Rhone varieties was carefully assembled to create an expressive wine full of exotic flavor.

TASTING NOTE

Our g3 Proprietary Red Blend opens with an enticing array of fresh cherry and strawberry, which are beautifully complemented by an undercurrent of fresh Roma tomatoes and hints of basil. The palate transitions into a complex profile with plum and cherry layered with a gamey character and nuances of cured meat. Savory notes of black pepper are further enhanced by whispers of sweet toast, coconut, and baked confectionery. The finish introduces a subtle mineral iron note, adding a bold and distinctive edge to the wine's composition.
