StoneCap

CHARDONNAY

Estate Grown
Columbia Valley

WINEMAKING

The 2022 StoneCap Chardonnay is a pure expression of bright tropical and stone fruit due to a deliberate, cool fermentation in stainless steel tanks. No malolactic fermentation was done after alcoholic fermentation completed, to preserve the natural acidity and fresh, crisp fruit flavors. The wine aged on lees for four months before being bottled..

TASTING NOTES

The 2022 Chardonnay shows fresh green apple, zesty citrus, and ripe melon aromas, accented by subtle floral notes and minerality. The palate is a lively dance of juicy pear, tangy grapefruit, and lemon zest, perfectly balanced by crisp acidity, culminating in a refined, clean finish.
