StoneCap

CHARDONNAY

Estate Grown
Columbia Valley

WINEMAKING

The 2023 StoneCap Chardonnay is a pure expression of bright tropical and stone fruit due to a deliberate, cool fermentation in stainless steel tanks. No malolactic fermentation was done after alcoholic fermentation completed, to preserve the natural acidity and fresh, crisp fruit flavors. The wine aged on lees for four months before being bottled.

TASTING NOTES

The 2023 Chardonnay displays a fresh aromatic bouquet of apple, lemon peel, orange and minerality. A refreshing, balanced and round mouthfeel displays flavors of juicy apple and lime layered with rich stone fruit notes. The flavors evolve into notes of white peach and lemon finishing clean, light, and refreshing.
