

CABERNET SAUVIGNON 2022 COLUMBIA VALLEY

VINEYARDS

Benton Hills Vineyards is in a premier wine region in southeastern Washington state, comprising several arid southwest sloping hills that are home to many of the Columbia valley's most celebrated vineyards.

Dr. Walter Clore, considered by many the "father" of the Washington wine industry, was impressed by the region's gentle, south-facing slopes and warm temperatures. He encouraged planting rows to maximize sun exposure and establishing the site in small blocks to facilitate estate-grown wines managed for low yields through careful pruning and thinning practices. As a result of the vineyard's sustainable practices and attention to detail, grapes ripen evenly and the wines are consistently ripe, rich, and fruit-forward.

TASTING NOTE

Our 2022 Cabernet Sauvignon reveals a deep, enticing character marked by vivid notes of cherry and plum. The palate shows smooth and juicy dark fruits, such as blackcurrant and blackberry, creating a tapestry of lush flavors. The texture is remarkably smooth and even, making it exceptionally approachable yet sophisticated. Finely woven tannins provide a backbone that is both sturdy and supple, allowing the rich fruit flavors to shine through while maintaining a harmonious balance that is both luxurious and accessible.- Andrew Wilson, Winemaker

WINEMAKING

The fruit for the Benton Hills Cabernet Sauvignon was carefully sourced from some of our favorite Cabernet Sauvignon blocks of the estate. The warm vintage allowed for long hang time in the vineyard and tremendous flavor development in the grapes without over-ripening and loss of varietal character. During fermentation, the wine was pumped over twice daily until a balance of color, structure, and flavor extraction had been achieved. Malolactic fermentation was completed on oak, smoothing, and softening the wine.

Varietal Blend: 80% Cabernet Sauvignon, 20% Syrah

Appellation: Goose Gap, Columbia Valley

TA: 5.8 g/L

PH: 3.75

RS: 3.29 g/L

Alcohol: 13.2%
