

BENTON HILLS

The Benton Hills is a premier wine region in southeastern Washington state, comprising of several arid southwest sloping hills that are home to many of the Columbia valley's most celebrated vineyards.

Dr. Walter Clore, considered by many the “father” of the Washington wine industry, was impressed by the region's gentle, south-facing slopes and warm temperatures. He encouraged planting rows to maximize sun exposure and establishing the site in small blocks to facilitate estate-grown wines managed for low yields through careful pruning and thinning practices. As a result of the vineyard's sustainable practices and attention to detail, grapes ripen evenly and the wines are consistently ripe, rich, and fruit-forward.

BENTON HILLS Chardonnay

The Chardonnay opens expressively with a bouquet of ripe citrus and honeysuckle. The palate is soft and broad with notes of pear and tangerine leading into a long refreshing finish of Meyer lemon and minerality.

100% Chardonnay

BENTON HILLS Cabernet Sauvignon

Our Cabernet Sauvignon reveals a deep, enticing character marked by vivid notes of cherry and plum. The palate shows smooth and juicy dark fruits, such as blackcurrant and blackberry, creating a tapestry of lush flavors. The texture is remarkably smooth and even, making it exceptionally approachable yet sophisticated. Finely woven tannins provide a backbone that is both sturdy and supple, allowing the rich fruit flavors to shine through while maintaining a harmonious balance that is both luxurious and accessible.
