- 2024 -
ROSE'
GOOSE GAP

WINEMAKING

This Rose was produced from a carefully assembled blend of Syrah, Merlot, Grenache, and Mourvèdre. All the grapes were harvested early in the vintage to preserve freshness and handled as delicate aromatic white wines: whole cluster pressed upon receipt at the winery and fermented cool in stainless steel tanks. Yeast was selected to accentuate aromatic development and a supple, juicy texture on the palate. The completed blend aged on lees for two months before bottling.

TASTING NOTE

The 2024 Rose shows beautifully perfumed and expressive aromas of strawberry, blood orange, and watermelon unfold over citrus peel and crushed stone. The palate moves with rhythmic tension—bright, textural, and finely balanced—driven by precise acidity and a savory edge that lingers through a mineral-charged finish.

APPELLATION:	TA: 7.2 g/L
100% Goose Gap AVA,	pH: 3.40
100% Goose Ridge Estate Grown	RS: 5.5 g/L
	ALCOHOL: 12%

COMPOSITION:
67% Syrah, 24% Merlot, 5% Pinot Gris, 2% Grenache,
2% Mourvedre
