CABERNET SAUVIGNON

Cabernet without the wait.

Grab & Go Cabernet Sauvignon delivers depth and structure in a format that fits real life—weeknight dinners, casual gatherings, and everything in between. **Familiar, reliable, and ready when you are.**

HOW IT DRINKS

Think: *dark fruit, soft structure, subtle richness*

- ⇒ Ripe blackberry layered with notes of cocoa and dark chocolate
- ⇒ Smooth texture with gentle tannins

WHY A BOX?

Because it works better for how people actually live.

- ⇒ Stays fresh for **4+ weeks** after opening
- ⇒ Lower carbon footprint than glass
- ⇒ Portable, stackable, and durable

HOW WE MADE IT

Straightforward decisions, done well:

- ⇒ Sourced from **sustainably farmed** estate vineyards in the Columbia Valley
- ⇒ Harvested for full flavor development and balance
- ⇒ Fermented to highlight dark fruit and texture
- ⇒ Aged to round tannins and integrate richness

Translation: built for depth, shaped for ease
