WINEMAKING

The 2025 vintage delivered small yields and sustained late-summer warmth producing concentrated, expressive fruit, while the season's measured pace preserved freshness, balance, and vivid character with depth, energy, and precision. Picked early in the vintage, cool morning harvesting paired with gentle cellar handling (whole cluster pressing and cool stainless steel fermentation with native yeast) brought our layered aromas, supple fruit texture and lifting mineral tension. Aging on lees for 4 months softened

TASTING NOTE

The 2025 Revelation Riesling is broad, textured, and deeply expressive, with layered aromas of ripe melon, peach, nectarine, and citrus blossom. Generous stone fruit and honeyed citrus unfold across the palate, while lively acidity creates vibrant tension, balancing the wine's luscious richness and carrying it toward a long, fresh finish.
