

STONECAP

Merlot

Estate Grown
Columbia Valley

WINEMAKING

Fruit was sourced from select estate Merlot blocks, where the warm vintage encouraged extended hang time and deep flavor development while preserving varietal character. Gentle extraction and malolactic fermentation on oak softened the wine's structure. The final blend captures the depth, richness, and distinctive character of Washington Merlot

TASTING NOTES

The Merlot comes on rich and ripe, with wild strawberry, redcurrant, and plum up front. The palate is broad and generous, packed with juicy red fruit and carried by supple texture and fine tannins. A touch of herb and fresh oak keeps it honest, leading into a long, polished finish with warmth, depth, and plenty of charm.

VINTAGE: 2023

APPELLATION: 100% Columbia Valley, 100% Estate Grown

COMPOSITION: 97% Merlot, 3% Cabernet Sauvignon

ALCOHOL: 13.1%
