

Bird Song Hill

2023 HARMONY ESTATE RED WINE GOOSE GAP

WINEMAKING

This blend is composed of Merlot, Cabernet Sauvignon, and Syrah, sourced from high-elevation blocks known for tension and structure. Each variety was fermented separately in small lots with native yeast, which adds roundness and texture to that structure and allows each grape to show its individual character. A portion of the Syrah was fermented as whole clusters to add freshness. The wines aged 12 months in barrel with minimal racking to preserve tension and verve. The components were then blended precisely into a single, balanced wine and moved to stainless steel for six months to keep it fresh before bottling.

TASTING NOTE

Three notes, one wine. Ripe plum comes first, juicy and generous; cassis and graphite follow, steady and exact; violet and black pepper arrive last, with a spark of mischief. Each is distinct, yet together they resolve into something singular, with fine tannins for frame, lush fruit for pleasure, and a bright line of tension holding it all in balance. Fruit, structure, spice: three parts, one harmony.
