2023 PINOT NOIR WILLAMETTE VALLEY

WINEMAKING

This Pinot Noir presents an elegant interplay of bright red fruit, a chiseled, mineral-driven texture, and subtle herbal complexity. Fruit is harvested early to retain natural acidity and aromatic purity, then fermented cool and slowly for gentle extraction that preserves the wine's delicate aromatics. Measured use of light oak contributes understated toast and a suggestion of sweetness, while 16 months of aging sur lie builds mid-palate texture and complexity before bottling.

TASTING NOTE

Our 2023 Pinot Noir is all about juicy red cherry and raspberry, with a ripe plum note and a pinch of baking spice for fun. Fresh, soft acidity keeps every sip mouthwatering and easy-drinking. A silky texture and a whisper of earth add just enough intrigue, and the finish is clean and lingering. Easy to love, with fruit that's front and center.
