

# Bird Song Hill

## 2024 ESTATE CHARDONNAY GOOSE GAP

### WINEMAKING

The grapes for this wine were sourced from some of the premier north-facing blocks of the estate. Harvested with ripe, intense flavors supported by fantastic acidity, these wines were fermented in barrels and stainless steel tanks. All were stirred and aged on lees for several months to add texture and suppleness to the natural minerality and tension. Meticulous blending yielded a wine possessing a graceful balance of spice and toast from the barrels, while respecting and highlighting the fruit.

### TASTING NOTE

Our 2024 Chardonnay offers an expressive aromatic profile, layering pineapple, lemongrass, and nectarine with tangerine and subtle notes of slate and warm pastry. The palate is characterized by a steady energy, featuring citrus and stone fruit flavors supported by a clear mineral undercurrent. Defined by its structure and focus, the wine shows a balanced tension that carries through to the finish. With its blend of fruit clarity and understated complexity, this Chardonnay offers a clean, lingering depth and enjoyment.

### WINE SPECIFICATIONS

**Appellation** Goose Gap AVA, 100% Estate Grown

**Composition** 100% Chardonnay

**Analysis** 3.56 pH 6.3g/L Total Acidity  
2.8 g/L RS 13.0% Alcohol
