

Bird Song Hill

2024 SAUVIGNON BLANC COLUMBIA VALLEY

WINEMAKING

This Sauvignon Blanc is sourced from warm-climate vineyards, where the fruit ripens fully while holding onto its character. The juice was fermented cool with native yeast on high solids, a approach that builds texture, volume, and aromatic complexity beyond what a clean, clarified ferment would give. The wine then aged on its lees in stainless steel for eight months before bottling, adding further depth and mouthfeel while keeping the fruit fresh and vibrant.

TASTING NOTE

Pineapple, citrus, and passion fruit leap from the glass, bright and intensely aromatic. On the palate, juicy tropical fruit meets a clean citrus snap, while time on lees lends a creamy, rounded texture that gives the wine volume and weight. Brightness and richness stay in step from start to finish, leaving a fresh, mouthwatering finish that carries the fruit into a refreshing citrus finish.
